REPORT ON SDG1: No Poverty

INTRODUCTION

1 NO
POVERTY

Sumgayit State University

Sumgayit State University (SSU) carries out responsibilities, which comes from "No Poverty" Sustainable Development Goal (SDG 1) by making higher education accessible to a diverse student population. Here is included state scholarships for students, Bright Future Scholarship Program for international talented students, financial assistance for low-income students, and support for socially vulnerable groups.

Support Initiatives at Sumgayit State University

- **State Scholarships:** 2123 students out of 6405 benefit from state scholarships.
- **Privileged Students:** The university provides targeted support for 950 students from families of martyrs, veterans, the disabled, and those who have lost both parents. These students receive additional assistance to ensure they have equal opportunities.
- **Student Trade Union Committee Initiatives** covers the food expenses of at least 250 students annually, helping to alleviate food insecurity among the student body.
- **Financial Aid for Low-Income Students:** 100 low-income students receive financial assistance every year.
- **Incentives for High-Performing Students:** In addition to financial aid, 50 active students with high GPAs are rewarded with money and other incentives.

SSU OFFERS A WIDE RANGE OF SCHOLARSHIP OPPORTUNITIES FOR STUDENTS

The University provides scholarships to students from low-income families and with high performance, both at its own expense and through its partner institutions.

Dormitory fees are free for students studying in SABAH Groups.

These scholarships encourage academic excellence, fostering an inclusive learning environment and ensure that students have the opportunity to pursue their educational goals, regardless of their socioeconomic status.

SSU collaborates with different institutions for providing scholarship or free classes by experts to its students

Within the framework of the “code for future” project, which was implemented jointly by the Ministry of Science and Education, “Code Academy”, the Innovation and Digital Development Agency in collaboration with SSU, the purpose is to support the enhancement of students’ knowledge and skills in the field of information technologies, their development in line with the requirements of the current market economy, and their adaptation to technological changes and free classes are organized for students who desire to study information technology and programming, at the same time both theoretical and practical knowledge is imparted.

SSU actively shares job vacancies

Sumgayit State University actively shares job vacancies on its official website and social media platforms, promoting career advancement and ensuring transparency in recruitment. The University is committed to providing equal access to all employment opportunities, ensuring that recruitment processes are fair, inclusive, and based on merit. It prioritizes the recruitment of qualified individuals who align with the institution's values and objectives, fostering a diverse and talented workforce.

SSU Trade Union Committee

The Trade Union Committee, established in 1963, has significantly contributed to the university's development and community well-being, growing its membership from 35 to 733 faculty and staff. The Committee organizes key events, and sports competitions, fostering a sense of unity and promoting physical and mental well-being. Cultural enrichment activities, including excursions to historical landmarks, museums, and sacred sites, further enhance employees' social and cultural engagement. Through these efforts, the Committee strengthens workplace satisfaction, improves social cohesion, and contributes to the university's alignment with the Sustainable Development Goals.

Dormitory

The university dormitory, strategically located within the campus, offers a conducive living environment. It features approximately 100 rooms, designed to cater to the diverse needs of its residents. The rooms are designed to meet high-quality standards, offering a comfortable and functional living space with reliable heating and high-speed internet access. The overall infrastructure is thoughtfully planned to enhance the holistic experience of students, promoting sustainable living and well-being in line with the university's commitment to the Sustainable Development Goals.

And also the price of the dormitory is quite lower than the country average.

With the support of the Sumgayit State University Trade Union Committee, Student Trade Union Committee, a group of students and employees regularly visit the Orphanages, Nursing homes, the martyrs' families

Future Goals

Implement social protection

Expand scholarship programs

Mobilize the resources to
implement policies to end the
poverty
